

28th Annual Rocky Mountain Research Forum

VIRTUAL FORUM BINGO

Instructions: Print this sheet if you prefer, or fill it in directly on your computer if you have the tech skills! Use this “bingo” card throughout the day and see how many you witness, hear, or do yourself! When you get five in a row, take a picture and send to your friends and colleagues, or save the document and send to the group using the fileshare function in the chat, or screenshare/show on your video and let us know you got bingo! Let’s see if anyone can fill in the whole sheet.

****Please note there is no “prize” for winning at virtual forum bingo, but I’d love to get screenshots/pictures of everyone’s virtual bingo cards to share on social media and our listservs as a follow up to our very first virtual forum.*
