

University of Colorado Anschutz Medical Campus | School of Medicine – Department of Family Medicine | University of Colorado Family Medicine Clinics

Family Physicians wanted in beautiful Colorado!

The Department of Family Medicine at the University of Colorado Denver | Anschutz Medical Campus is seeking full-time family physicians for our clinical practices located around the Denver Metro Area.

Recognized nationally as a leader in family medicine, the Department of Family Medicine is dedicated to achieving the Quadruple Aim and helping our patients become healthier through education, patient care, research, and community partnership.

Key Position Essentials:

- Full time providers provide 32 hours/week of clinical care.
- We have a fully integrated Electronic Medical Record through EPIC, as well as pharmacy and care management support.
- Teaching opportunities with students and residents.
- The University of Colorado offers a generous benefits package, including insurance, time off, and retirement benefits.
- Base salary starts at \$194K, depending on qualifications, with opportunities for incentives and other compensation.

Qualifications:

- Successful candidates will be Board Certified in Family Medicine, with experience practicing the full spectrum of Family Medicine.
- You'll need to be able to obtain a Colorado Medical License and possess a current DEA Certificate, and successfully complete medical staff credentialing at University of Colorado Hospital.
- Two years of practice experience in ambulatory and Patient Centered Medical Home/Integrated Practice settings is preferred. Individuals with other clinical or practice experience will be considered.
- Additional know-how required includes: a demonstrated ability to establish and maintain effective working relationships at all levels of the organization, the ability to work effectively as part of a team, and experience with teaching students and residents.
