

# WHO WE ARE

Yuma District Hospital's mission is to be Northeast Colorado's preferred healthcare employer. We pride ourselves on a caring staff that provides quality care for our patients. We believe that our employees are a valuable asset and we strive to provide a safe work environment and promote opportunities for growth.

We are in a new hospital and clinic facility and have incorporated many new technological advances into our plans. The facility has state of the art radiology equipment, including MRI and a 80 slice CT scanner, an outpatient rehabilitation department complete with a therapy pool, general surgery department, in-house laboratory, emergency department, 12 private inpatient rooms and a 12 exam room clinic.

We offer competitive salaries and an attractive benefit package. To learn more about our employment opportunities, or to apply on-line, visit the Employment section at [www.yumadistricthospital.org](http://www.yumadistricthospital.org) or request an application at (970) 848-4602.

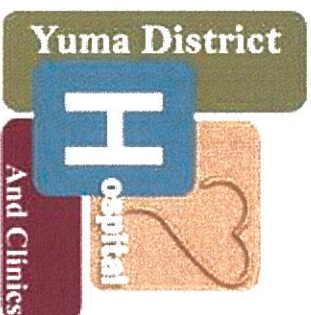

We are an equal opportunity employer.

## Yuma District Hospital and Clinics

Dedicated to enhancing the health of all whom we serve.

# OUR CLINICS

## Yuma Clinic

The Yuma Clinic, a federally qualified Rural Health Center is located within the Yuma District Hospital facilities. Family practice physicians and physician assistants staff the clinic, which serves as a training site for physicians in Colorado family practice residency programs. The clinic staff is dedicated to providing the highest quality health care services. The clinic always accepts new patients to meet the health care needs of the communities we serve. We have a provider available during the day to treat patients with urgent or emergent health care needs.

## Akron Clinic

The Akron Clinic is located in the Akron, Colorado business district at 82 Main Avenue. Two Board Certified Physicians and one Family Nurse Practitioner staff it. Some Specialty Clinic Services are also available in Akron. The clinic offers laboratory and x-ray services on-site and through the Laboratory and Imaging departments at Yuma District Hospital. Physical Therapy and Home Health Care services are also available through the Akron Clinic.

## Center for Specialty Medicine

At our Center for Specialty Medicine, we are pleased to offer our patients access to regional experts in several specialties. Our specialists are based in Boulder, Denver, Ft. Collins, Greeley and Loveland, CO. By bringing skilled specialists to you, you don't have to leave town to receive care comparable to what is found in urban communities. It's our way of enhancing your access to quality health care. Our specialists come to our Center for Specialty Medicine in Yuma on various days throughout the month. Specialties offered at our clinic include: Cardiology, ENT, Hand & Plastics Surgeon, Hematology and Oncology, Neurology, Orthopedics, Podiatry, Pulmonology, Spine Specialist, General Surgery & GI Scoping and Cancer Dermatology.

## ABOUT YUMA

Yuma, CO is a beautiful, growing community of over 3,500 residents, located in the northeast corner of Colorado, about 40 miles from both the Nebraska and Kansas borders. Yuma offers a safe, fun, and relaxing environment to grow a business, raise a family.

The City provides a diverse year-round leisure opportunities through park settings, recreational activities, recreational facilities and programs for the citizens of Yuma. The benefits of the leisure services are especially designed to meet the physical, mental, cultural, and social needs of our residents and visitors to our community, while enhancing the overall quality of life in Yuma.
